

ABSTRACT GUIDELINES

➤ The poster session committee is requesting:

- Research Abstracts
- Project and program reporting abstracts
- Innovations in nutrition and dietetics practice and education abstracts
- Nutrition science abstracts with translational significance

➤ Please include the following information in your submission (before the abstract section):

- Poster presentation title
- Organization name
- Presenter name(s) and credentials
- Contact information (mailing address, email, and phone)
- AND member status

➤ Please organize your abstract in the following manner:

TITLE:

AUTHOR(S):

LEARNING OUTCOMES:

ABSTRACT TEXT:

➤ Please abide by the following formatting guidelines. Submissions that do not follow formatting guidelines will be returned.

1. TEXT: Type single-spaced in black font using Times New Roman 12-point font to ensure readability when reduced for publication. Abstract length should be no more than 250 words/1,700 characters. Do not right justify text.

2. TITLE: CAPITALIZE THE ENTIRE TITLE. Do not underline, bold, italicized, or use abbreviations or acronyms in the title.

3. PRESENTER AND CO-AUTHORS: Type first initials, last names, credentials, and places of employment or affiliated organization for all authors within the limited space. Do not identify any author names or facilities within the body of the abstract.

4. LEARNING OUTCOME: List only one learning outcome or objective for the abstract. The outcome should state, in measurable terms using a behavioral verb, what the participants would learn after viewing the poster presentation.

5. ABSTRACT TEXT: Be sure to carefully proofread all submissions. Please remember to spell out abbreviated terms with their acronym when first written in the text.

Please submit your final abstract as a Word document attachment (.doc, .docx, or .rtf format) by February 10th, 2021 using the following link: [AME 2021 Abstract Submissions](#)

Questions and concerns can be sent to our Central Office at NYSAND@CapHill.com.
