

New York State Academy of Nutrition and Dietetics  
Award Winners – Ruth Harmon Memorial

Ruth Harmon, RD, was a public policy leader for the New York affiliate. She traveled to districts throughout New York to review the details of public policy initiatives that were important to the work of dietitians in the New York Legislature as well as the US Congress. Through her leadership and generosity the New York affiliate created the Ruth Harmon Memorial Award. This award was given to a dietetic student leader to learn more about public policy by supporting their attendance at the Academy's annual Public Policy Workshop (PPW) held in Washington D.C. NYSAND was able to give this award twelve times from 2001-2014 award.
