The Emerging Dietetic Leader Award began in 1996. The intent of this award is to recognize the competence and activities of members, regardless of their age, who are at the beginning of their dietetics careers. NYSAND may award one member each year the Emerging Dietetics Leader Award.

Our list was verified by reviewing the JADA/ JAND, however, if you determine that there is an error, please contact the NYSAND Central Office, to provide updated information.
